BUREAU OF HIGHWAY CONSTRUCTION
M. J. Bolden, Executive Director

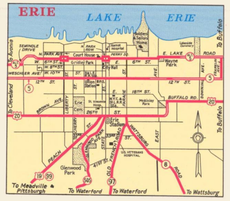
A SCENIC ON-FIRE OLD WILLIS CANAL IN WILLIAMSPORT, PENNSYLVANIA

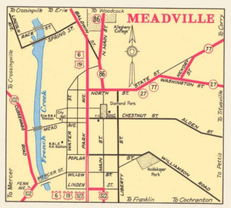
OBEY RULES OF THE ROAD

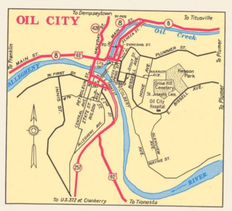
Pennsylvania's 41,666 miles of State Highways are well marked and posted for the greater protection and safety of motorists.

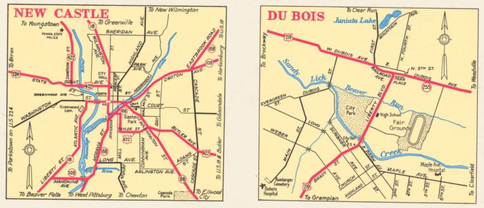
- Solid white line indicates a hazardous condition. Do NOT cross.
- Single broken line alongside of solid line permits crossing from broken line side, ONLY if traffic conditions permit.
- Single broken line permits crossing if ample passing distance exists.
- Obey STOP signs by coming to a complete stop.
- Obey school bus STOP law. All traffic must stop while bus is loading or unloading passengers.
- Obey YIELD right of way signs by hesitating or coming to a complete stop.
- Speed limits are as follows, except where posted otherwise:
  - 50 miles per hour on open highway.
  - 25 or 35 miles per hour in business and residential districts as posted.
  - 15 miles per hour in vicinity of schools.
  - 10 miles per hour when passing street cars or buses taking on or discharging passengers.
- Observe traffic lights.
- Make right turns from RIGHT edge of roadway.
- Make left turns from traffic lane nearest center of roadway.
- SIGNAL all turns and stops.
- Lower the high light beam when encountering other traffic at night.
- Maintain your automobile in mechanically safe condition at all times.

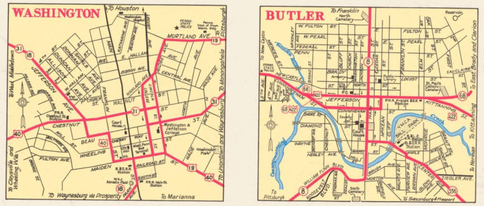
Pennsylvania's highways are receiving vast improvements which contribute to the safety of the motorist but strict observance of traffic laws and the rules of common sense are necessary to avoid accidents.

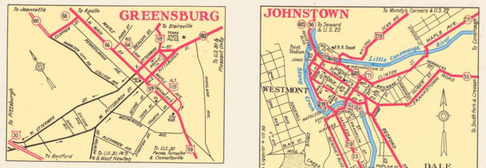


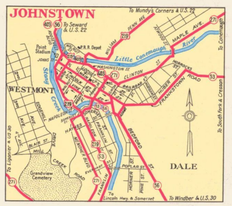


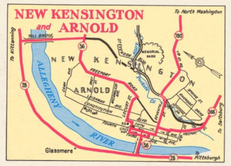


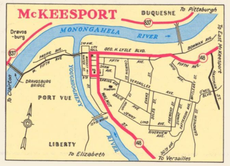












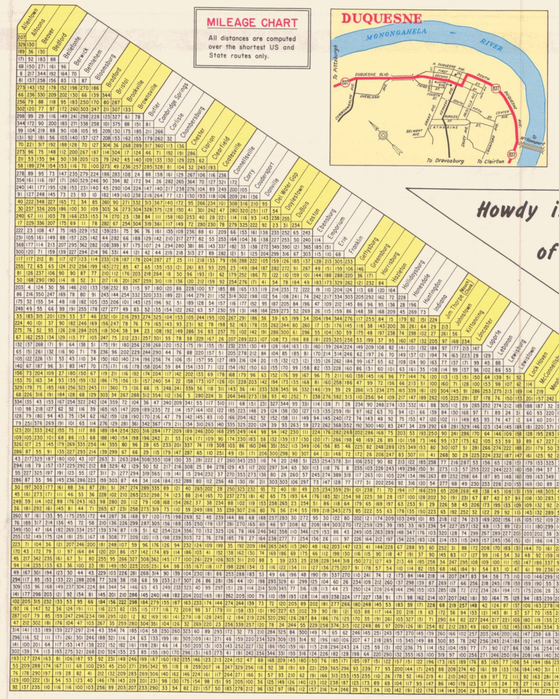
$100.00 LITTERING FINE

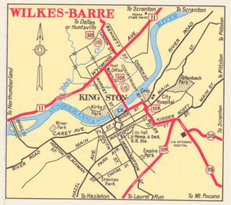
LITTERING

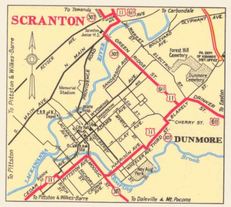
Persons throwing, or permitting litter to be thrown from a motor vehicle, shall be subject to a fine of not less than $50 or more than $100.

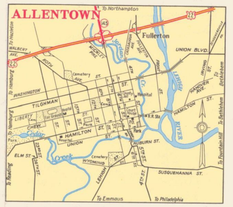
MILEAGE CHART

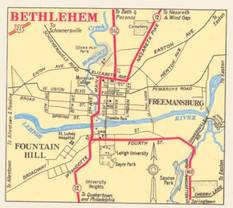
All distances are computed over the shortest US and State routes only.

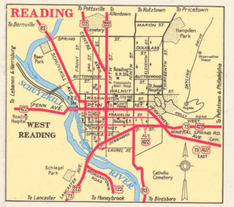


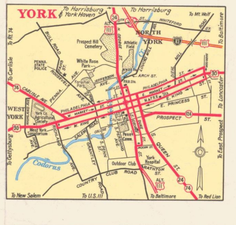


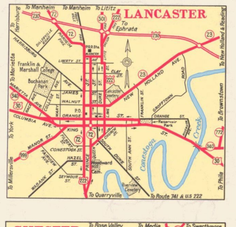


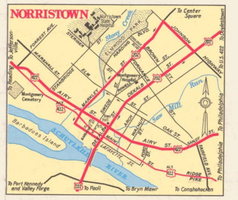


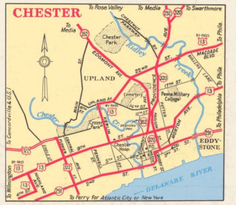


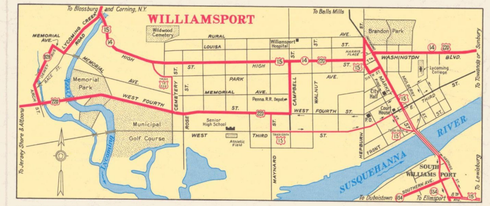


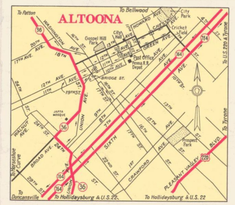


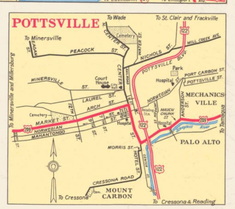


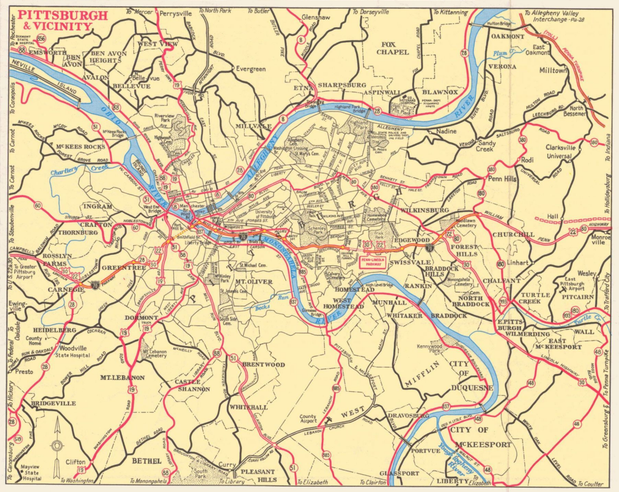


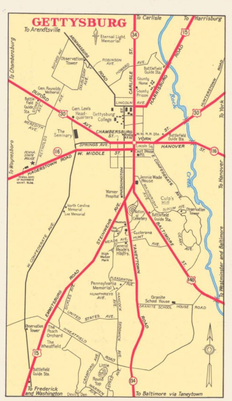


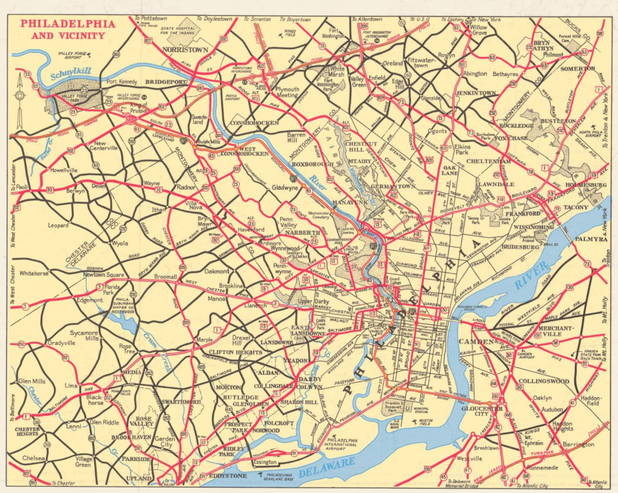


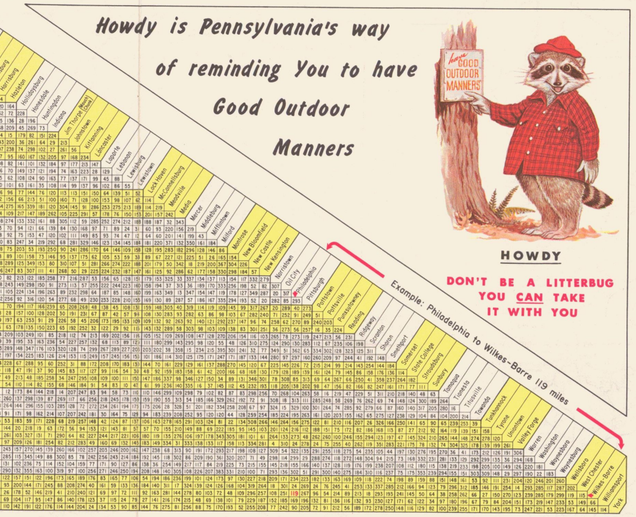












PENNSYLVANIA ROADSIDE REST DEPARTMENT OF HIGHWAYS

ROADSIDE RESTS

The development of Roadside Rests by the Department of Highways is another addition to the many conveniences to be found along Pennsylvania's highways. Facilities are available for motorists to enjoy picnicking and brief stops.
