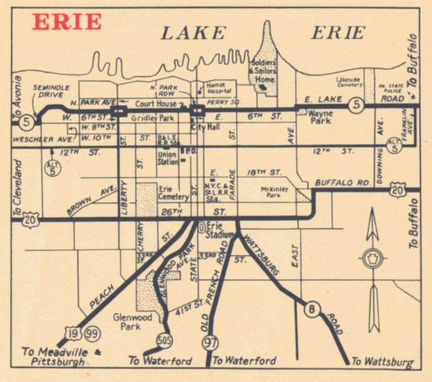
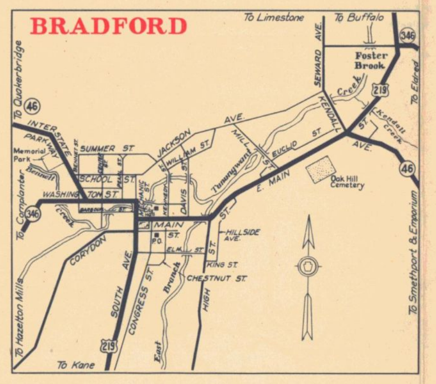
OBEY RULES OF THE ROAD

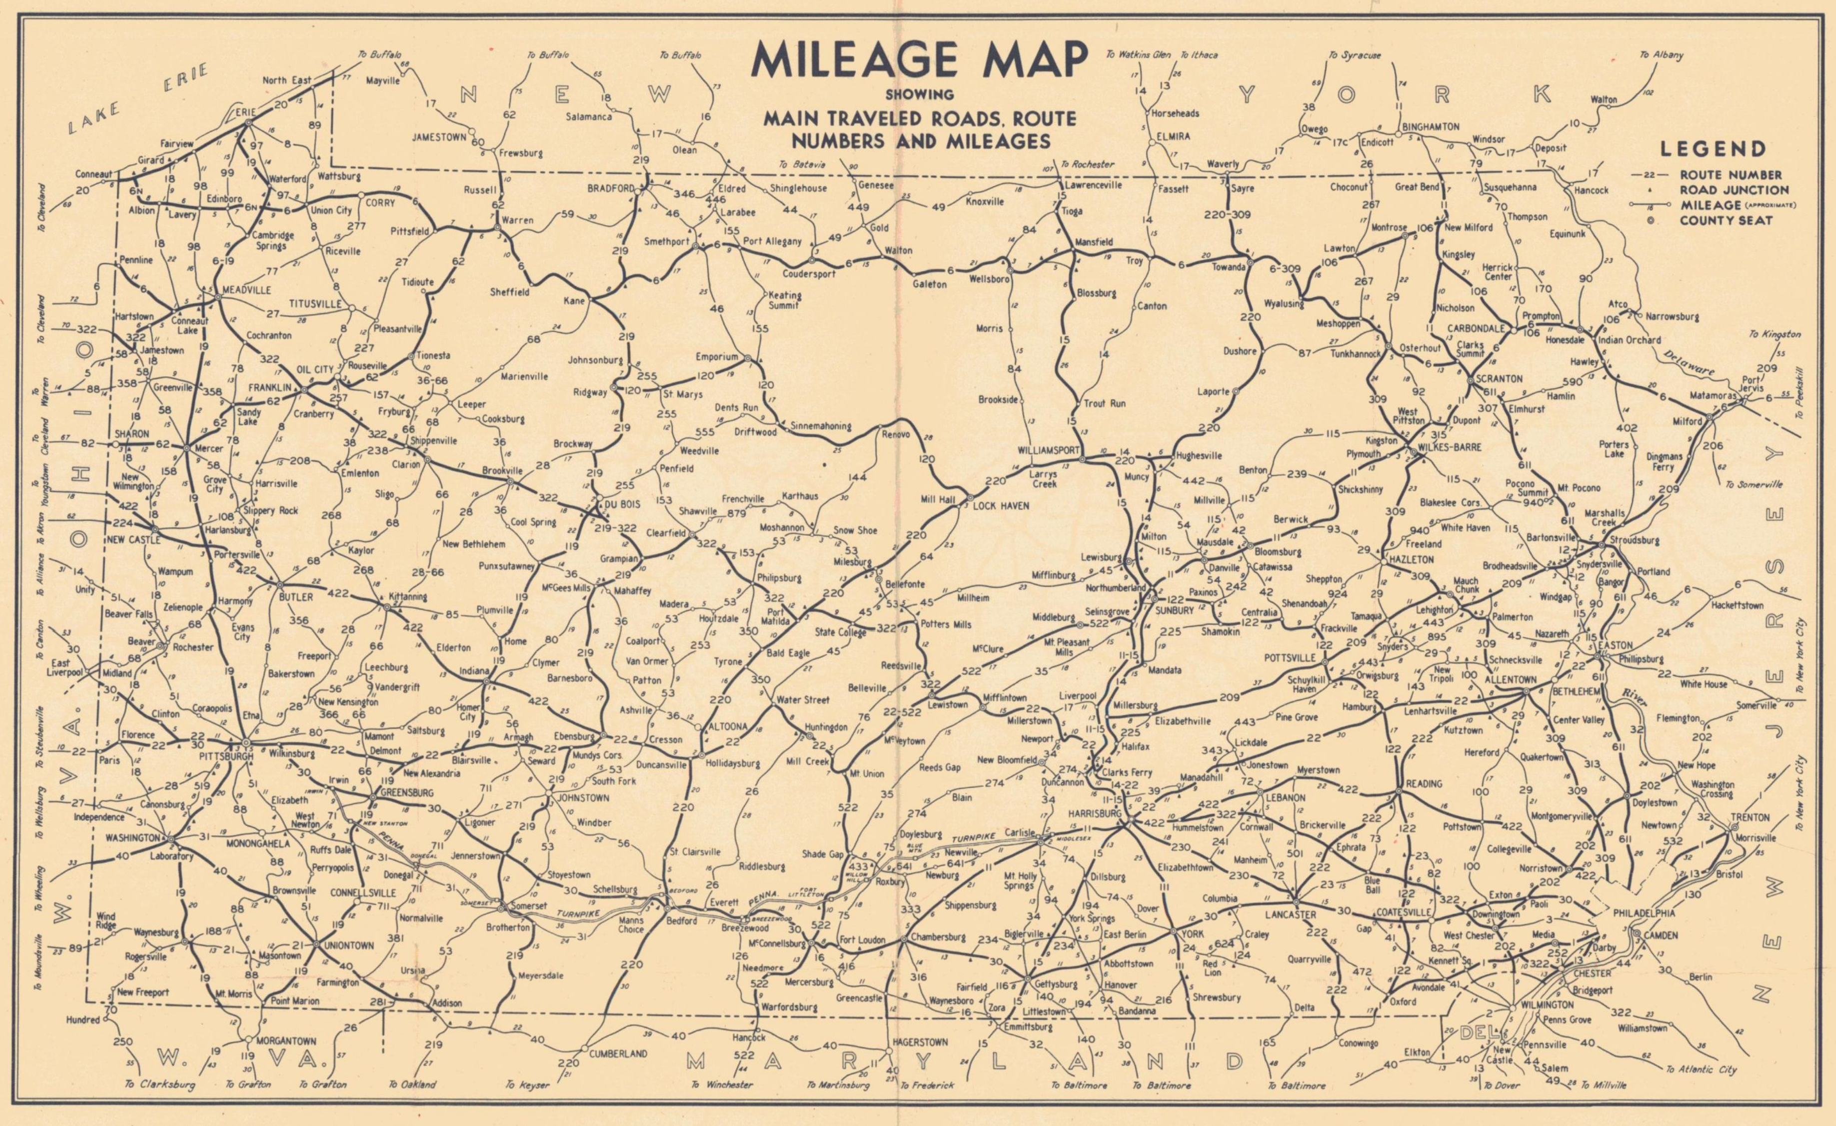
Pennsylvania's 41,000 miles of State highways are well marked and posted for the greater protection and safety of motorists.

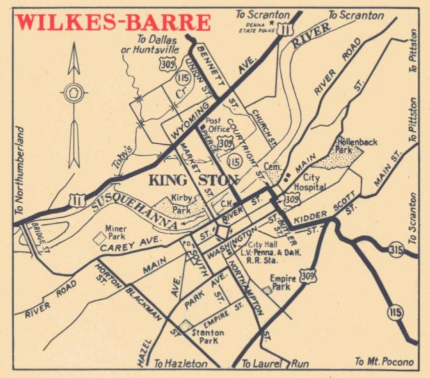
- Solid white line indicates a hazardous condition. Do NOT cross.
- Single broken line alongside of solid line permits crossing from broken line side ONLY, if traffic conditions permit.
- Single broken line permits crossing if ample passing distance exists.
- Obey STOP signs by coming to a complete halt.
- Obey school bus STOP law. All traffic must stop while bus is loading or unloading passengers.
- Speed limits are posted as follows:
  - 50 miles per hour on open highway.
  - 25 or 35 miles per hour in business and residential districts as posted.
  - 15 miles per hour in vicinity of schools.
  - 10 miles per hour when passing street cars or busses taking on or discharging passengers.
- Observe traffic lights.
- Make right turns from RIGHT edge of roadway.
- Make left turns from traffic lane nearest center of roadway.
- SIGNAL all turns and stops.
- Lower the high light beam when encountering other traffic at night.
- Maintain your automobile in mechanically safe condition at all times.

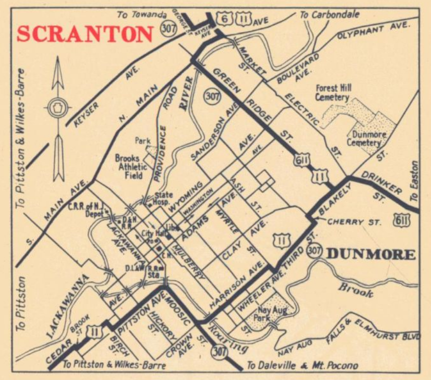
Pennsylvania's highways are receiving vast improvements which contribute to the safety of the motorist but strict observance of traffic laws and the rules of common sense are necessary to avoid accidents.

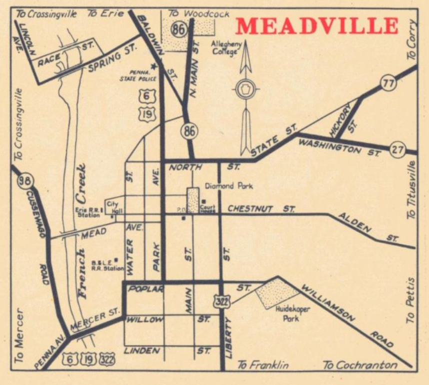


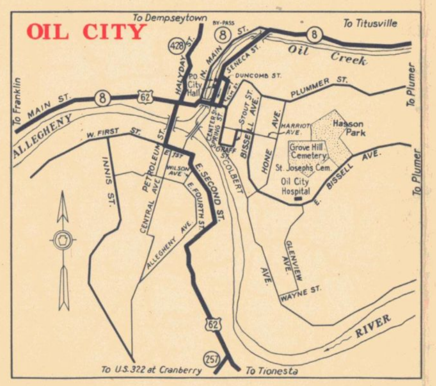


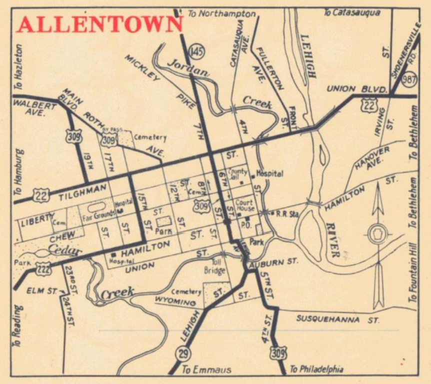


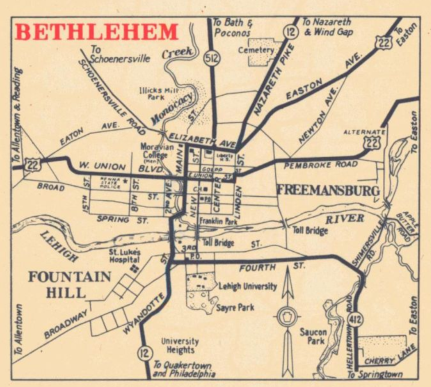


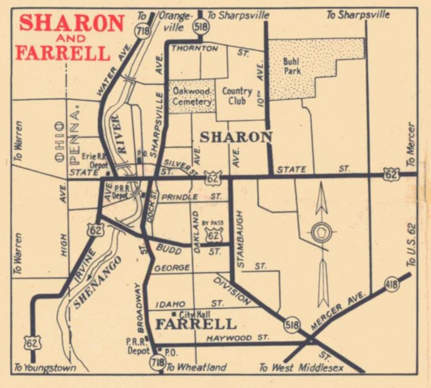


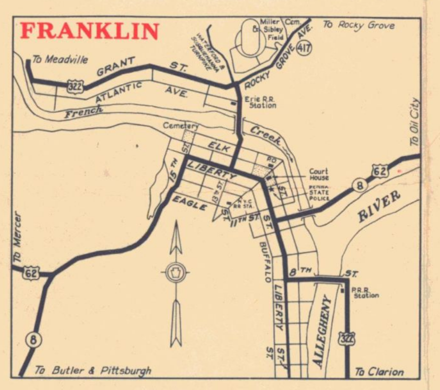


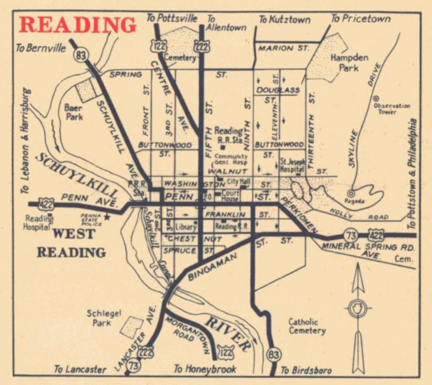


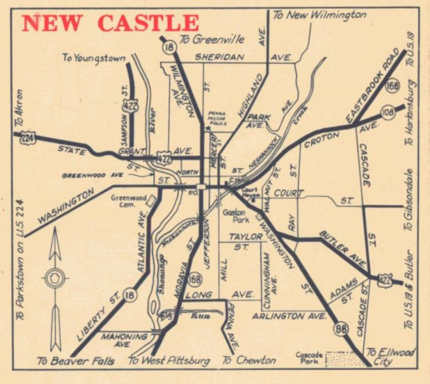


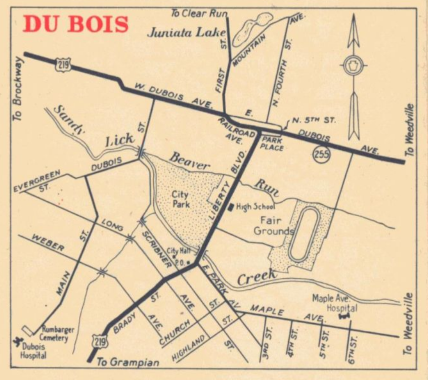


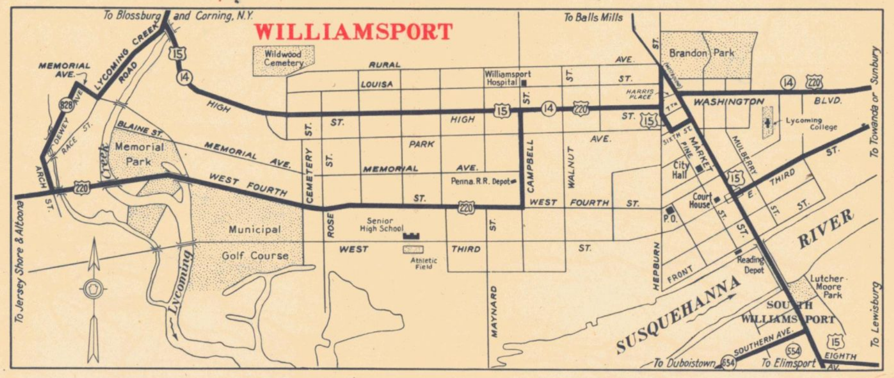


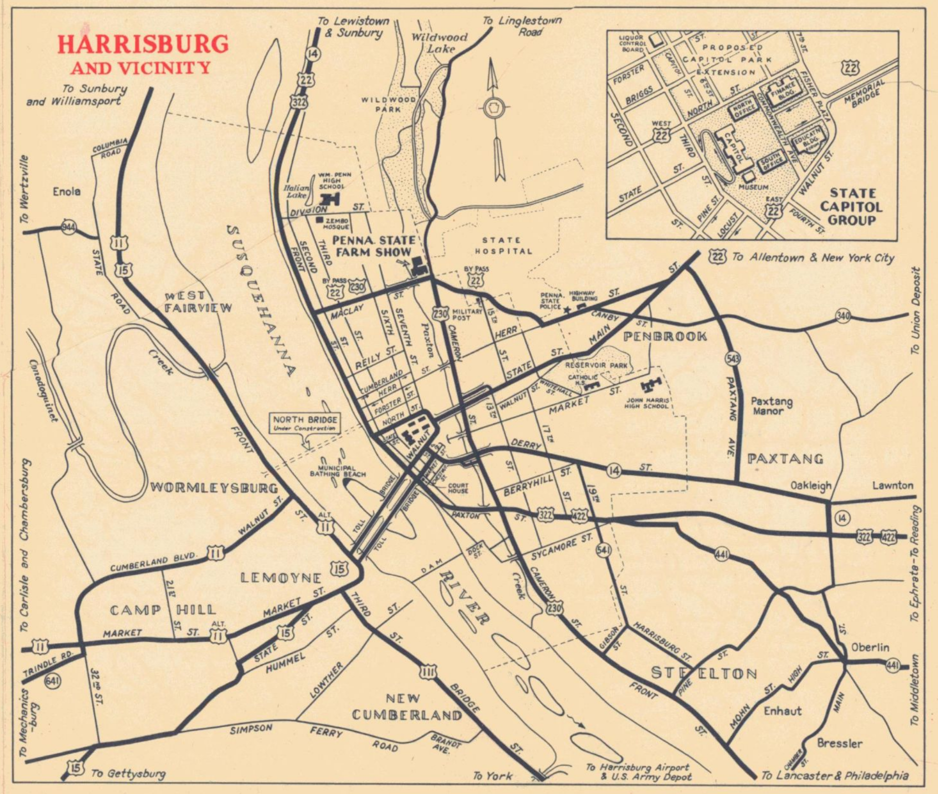


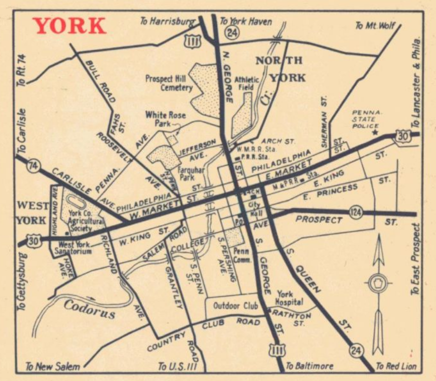


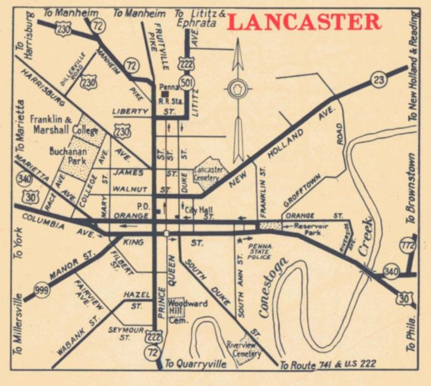


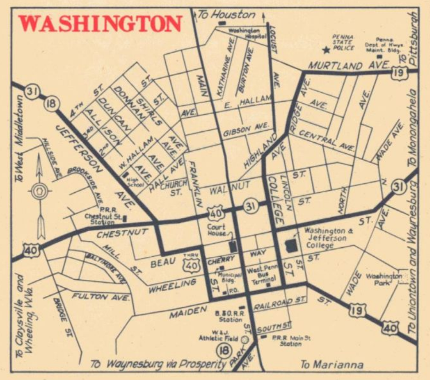


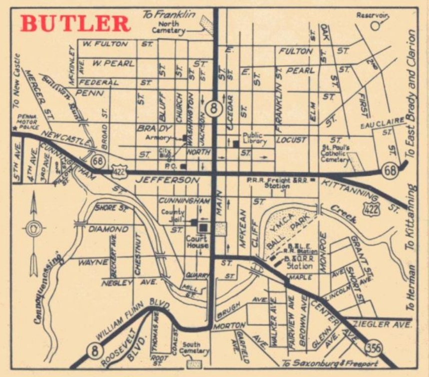


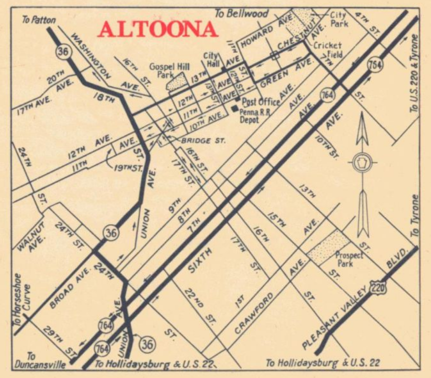


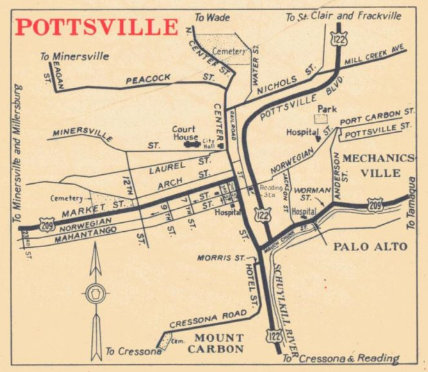


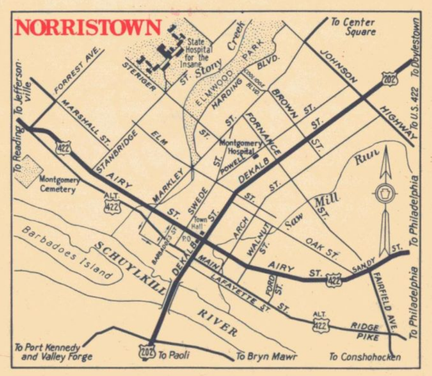


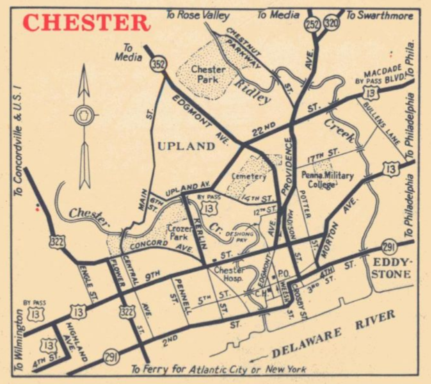


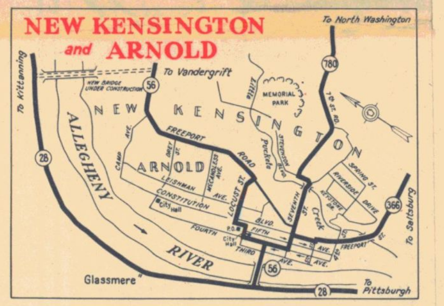


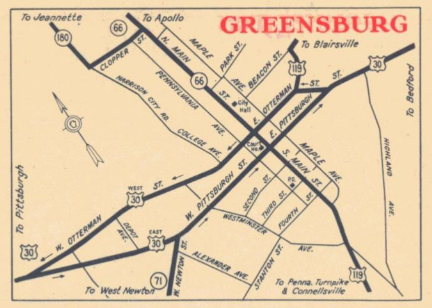


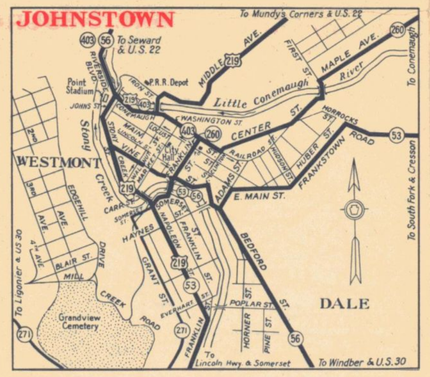


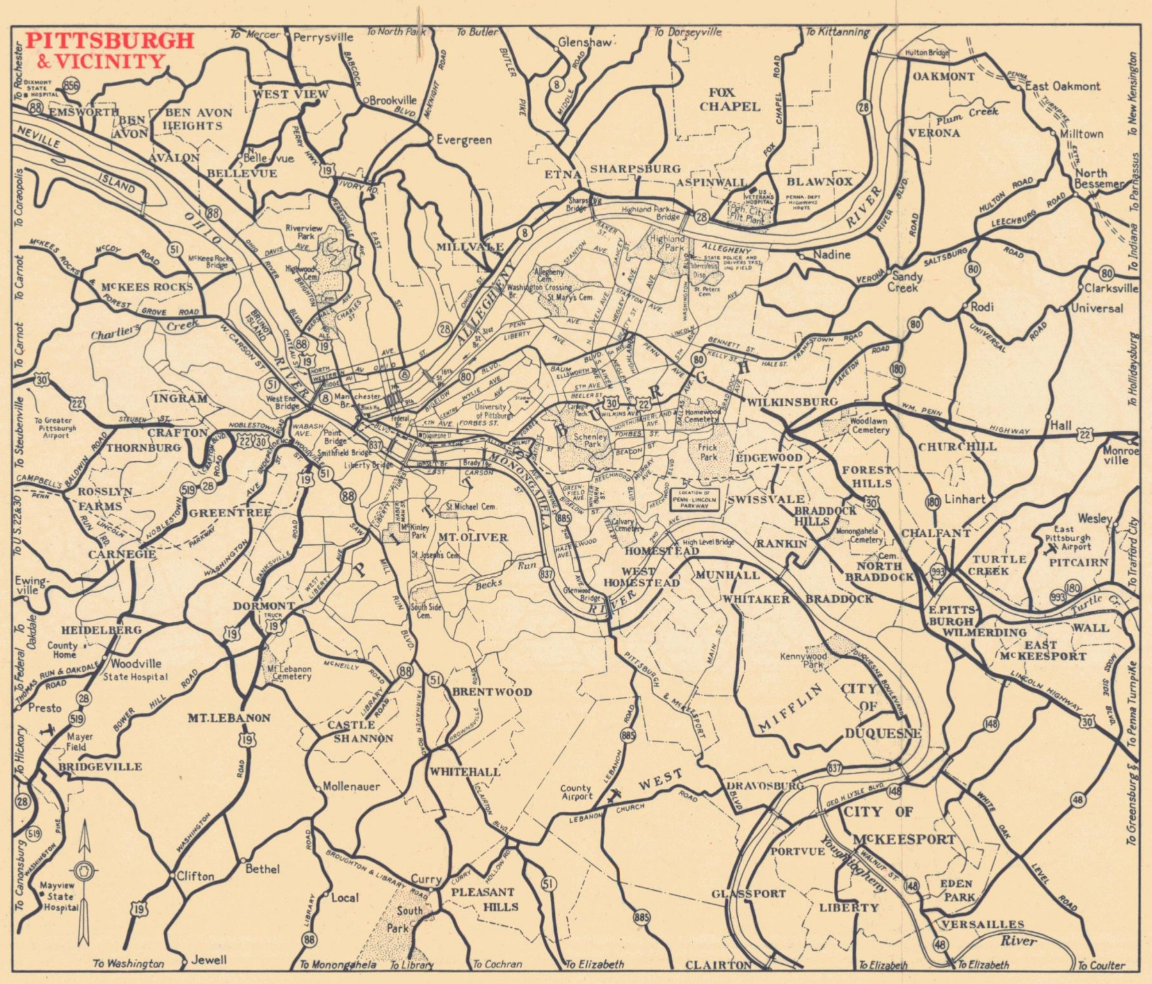


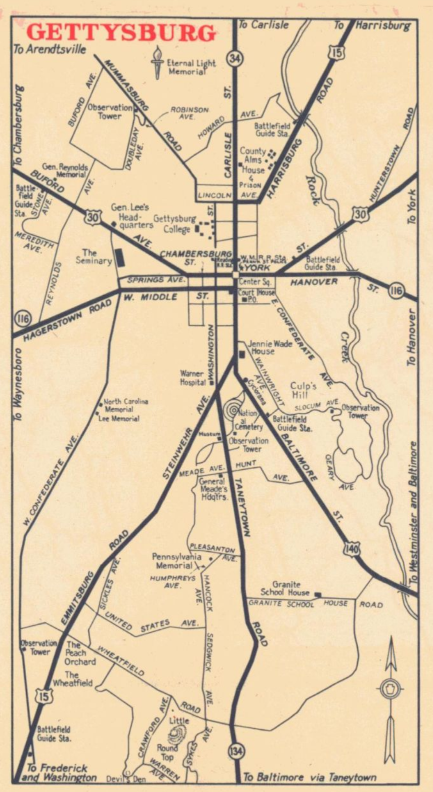












TOURIST INFORMATION

Copies of this map and special routings to points in Pennsylvania and other States supplied FREE on request. Detour Bulletins are posted in hotels, postoffices, garages, filling stations, and in other public places. For detailed information, write, telephone or telegraph. The Department cannot furnish information concerning hotels or tourist camps, except camps maintained by the Commonwealth.
